

You are in:	And you belong in:	Your coverage must be corrected to:
CSRS Offset	CSRS	CSRS.
CSRS	CSRS Offset	CSRS Offset.
Social Security-Only ...	CSRS	CSRS.
Social Security-Only ...	CSRS Offset	CSRS Offset.
Social Security-Only ...	FERS	FERS.

§ 839.702 How do these rules apply to me if I don't have an election right under the FERCCA, but I did have a qualifying retirement coverage error?

After your retirement coverage is corrected to the proper plan, your retirement deductions will be adjusted in accordance with subpart H of this part and your Social Security taxes will be adjusted in accordance with subpart I of this part, if applicable. You may also file a claim for losses in accordance with subpart L of this part.

Subpart H—Adjusting Retirement Deductions and Contributions

EMPLOYEE RETIREMENT DEDUCTIONS

§ 839.801 Do I owe more money if I had a qualifying retirement coverage error and the employee retirement deductions for the new retirement plan are more than what I already paid?

(a) No, your employer is responsible for paying any additional amount to the Fund. Your employer will not bill you for any additional retirement deductions.

(b) For qualifying retirement coverage errors corrected under this part, the rules at § 831.111(b) of this chapter (pertaining to employee options when the employer fails to withhold CSRS or CSRS Offset retirement deductions) do not apply.

§ 839.802 If I was in CSRS during my qualifying retirement coverage error, paid into the Fund more than I would have paid as a CSRS Offset, Social Security-Only, or FERS employee, and end up retroactively in one of those retirement plans, will I get a refund of the excess I had withheld from my pay?

CSRS Offset and FERS require employees to pay Social Security taxes in addition to retirement deductions. When you are retroactively changed

under the FERCCA to CSRS Offset, FERS, or Social Security-Only, the deductions you paid in under CSRS will be used to pay both the amounts required for retirement deductions under CSRS Offset or FERS, as applicable to you, and also the Social Security taxes that you would have paid had you been in CSRS-Offset, FERS, or Social Security-Only.

§ 839.803 If I am like the person in the previous question, but the amount I paid as deductions under CSRS is more than the amount of combined retirement deductions and Social Security taxes due for my new retirement coverage, will I get a refund of the excess?

Yes, either OPM or your employer, as appropriate, will issue the payment in accordance with OPM instructions.

§ 839.804 If my qualifying retirement coverage error occurred while I was a reemployed annuitant, and I am later corrected retroactively to a different retirement plan, will I have to pay any additional amount for retirement deductions?

(a) If you (as a reemployed annuitant) were erroneously in CSRS and had retirement deductions withheld from pay, and later are corrected to CSRS Offset or FERS coverage, the amount erroneously withheld under CSRS will be used to pay the retroactive CSRS Offset or FERS retirement deductions and Social Security taxes.

(b) If you (as a reemployed annuitant) were erroneously placed in CSRS and elected not to have retirement deductions withheld from pay, and later are corrected to CSRS Offset or FERS, your share of retroactive Social Security taxes will be treated as an overpayment of salary. If you are corrected to CSRS Offset, you may elect to have retirement deductions withheld from future salary as a reemployed annuitant and may also make a deposit to cover the retirement deductions for past service as a reemployed annuitant in accordance with § 837.503(c) of this chapter. If you are corrected to FERS, your retirement deductions under FERS will be treated as an overpayment of salary.
